* The analysis of GES is based on all the companies included in the different benchmarks that are pre-set by the FDC and associated to the different sub-funds of FDC's SICAV. As the authorised investment universe of the SICAV corresponds exactly to all the companies listed in these associated benchmarks, the present exclusion list contains all the companies to be excluded from the authorised investment universe of FDC's SICAV, this due to a violation of one or more international conventions ratified by the Grand Duchy of Luxembourg. This exclusion list has been approved by the SICAV's Board of Directors on 23rd of December 2018.
